EXPERIENCE

Quore – Product Designer

2026 – Present

- Lead end-to-end product design for a suite of hospitality management applications, creating intuitive experiences across desktop, tablet, and mobile platforms.
- Partner with product managers, engineers, and executive leadership to transform user needs and business goals into scalable, user-centered product solutions.
- Drive the evolution of the company's design system, establishing reusable components, design standards, and responsive patterns to improve consistency and streamline product development.

Quore – UI/UX Designer

2022 – 2026

- Enhance product usability through thoughtful UI/UX design.
- Incorporate stakeholder and user feedback into design solutions.
- Create and maintain a scalable design system.

Kwik Goal – Senior Designer

2018 – 2022

- Designed marketing campaigns across digital and print.
- Created customizable 3D product renderings for marketing and sales materials.
- Led the planning, design, and production of the annual retail catalog.
- Managed commercial print production.
- Create and maintain a scalable design system.

Kwik Goal – Junior Designer

2017 – 2018

- Designed marketing campaigns across digital and print.
- Collaborated on the design and production of product catalogs.
